

Dear Valued Sponsor:

Hope this finds you well. One of America's oldest, continually running environmental events is set to celebrate its 29th year when Earth Day Omaha returns to Elmwood Park on Saturday, April 21, 2018.

Every year, Earth Day Omaha features over 100 exhibitors, a multitude of children's activities, demonstrations, speakers and live music from top local bands. Over 100,000 consumers in the Omaha MSA will be exposed to our marketing and advertising and upwards of 8,000 active consumers and their families are expected to attend.

This year's event will build on that long tradition of success. We've added even more:

- Custom focus areas to maximize experiential marketing opportunities.
- "Tell Your Green Story" with video and sponsored content opportunities.
- A virtual Earth Day Every Day on our website, so not only will you sponsor the annual event, but you'll be recognized as a sponsor on our website year round at the Emerald Green or higher level.
- A new "special focus" area within the event -- Home Efficiency -- to join our Vehicle Showcase and Local Foodshed areas.

We'd love to have you back again for an Earth Day Omaha sponsorship!

Please find details in the attached Sponsorship Opportunities sheet. Our early deadline this year for sponsorships is February 23, 2018.

We are very excited for another great event and hope you can join us!

If you have any questions, or if we can be of any assistance in this matter, please do not hesitate to contact us.

Sincerely,

Karri Martin
Earth Day Omaha
Board President
